Additionally, the Board of Directors must comply with Federal and State laws that govern the delivery of drinking water and management of the drinking water or system.

Section 7. Board Conflict of Interest and Disclosure

Directors must avoid actual or apparent conflict of interest and must disclose to the full Board any such conflict. An actual or apparent conflict of interest occurs when a Director has, or may have, a direct, indirect, or material interest in a transaction between the Association and another entity and that Director or his/her immediate family might benefit financially or personally. An actual or apparent conflict of interest may also occur when a Director is in a position to influence a decision of the Association that may result in direct or indirect personal gain for that Director or his/her immediate family. Immediate family is defined as a spouse/domestic partner, parent, legal guardian, child or sibling, mother or father-in-law, spouse's child or sibling, son or daughter-in-law, grandparents, and grandchild.

When an actual or apparent conflict of interest exists, the Director must excuse himself/herself from consideration of that transaction by absenting himself/herself during Board discussion prior to a vote on the transaction and may not vote on that transaction. A transaction or the basis for imposing liability is not void if the transaction was fair at the time entered into and is approved by the remaining Directors knowing of the transaction and the actual or apparent conflict of interest and reasonably believing in good faith that the transaction is fair to and in the best interest of the Association.

Section 8. Vacancies

If the office of any Member of the Board of Directors becomes vacant by reason of death, resignation, retirement, disqualification or otherwise, except by removal from office by the membership or expiration of term, The remaining Directors, though less than a quorum, shall by a majority vote, choose a successor who shall hold office until the next annual meeting of the Members of the Association, at which time the Members shall elect a Director for the unexpired term or terms, providing that in the call of such meeting a notice of such election shall be given. If such a vacancy occurs within three months of the annual meeting, the board may elect to leave the vacancy unfilled until then. Any person chosen as a successor or elected to serve for the remainder of an unexpired term must meet the qualification for board members as discussed in Section 2 of this Article.

Section 9. Removal of Member of the Board of Directors

Any Director or officer of the board may be removed from office for cause shown by a vote of not less than a majority of the Members of the Association present at a special meeting of the Members called for that purpose. The Director or officer shall be informed in writing of the charges against him/her at least ten (10) days before such meeting. The Director/officer shall have the opportunity to appear in person or by counsel, and present witnesses in his/her behalf. Vacancies caused by such removal shall be filled by the vote provided in these Bylaws for election of Directors at the meeting where the removal occurs. Employees and agents, other than Directors and Officers, may be removed from office or employment at any time by action of the Board of Directors.

- B. Self-Removal of Members of the Board of Directors - Any Member of the Board of Directors who fails to attend three (3) consecutive regularly scheduled in person or virtual meetings of the Board of Directors in a one-year period may be deemed to have resigned from the Board unless a majority of the remaining board members vote to retain them.

Section 10. Indemnification of Directors and Officers

The Association shall indemnify any Director or Officer or former Director or Officer of the Association against reasonable expenses, costs and attorney's fees actually and reasonable incurred by them in connection with the defense of any action, suit or proceeding, civil or criminal, in which they are made a part by reason of being or having been a Director or Officer.
